Dear Bill:

I have been out of town much of the time on speaking engagements, and have found it impossible to settle up all of our N.C.A.A. tournament bills.

However, by the first of next week I shall write your check and get in the mail to you.

With best wishes, I am

Dear Dr. Allen:

I received the check for the additional bill paid by Mr. Barry to the Phillips Hotel, but as yet we have not received a check for the original bill which we sent, which was railroad, Pullman, and hotel bill for the twelve men. I am writing this letter because from your letter to Sam I rather concluded that you were of the opinion that the check had been mailed. I thought I had better notify you that we have not received it.

I am very glad to have the information which you have given to Sam in respect to having the expense allowance based on fifteen men rather than twelve and I am hopeful that it will work out this way. I think that you are to be congratulated on the very successful outcome of the tournament and I note what you say in reference to the ear-marking of funds turned over to the National Collegiate Athletic Association. There is one point, however, which I mentioned to Sam and might call to your attention, and that is that as far as the future of basketball is concerned, if the National Collegiate Athletic Association will assume the responsibility of the continuity of these tournaments in the way of underwriting them, perhaps it is just as well to have the protection of the Association backing up the tournaments by general funds.

Of course I want to say that I will be glad to assist in any way that I can to work out something conducive to the best interest of basketball and the wishes of the basketball coaches.

Sincerely yours,

W. O. Hunter

Dear Dr. Allen:

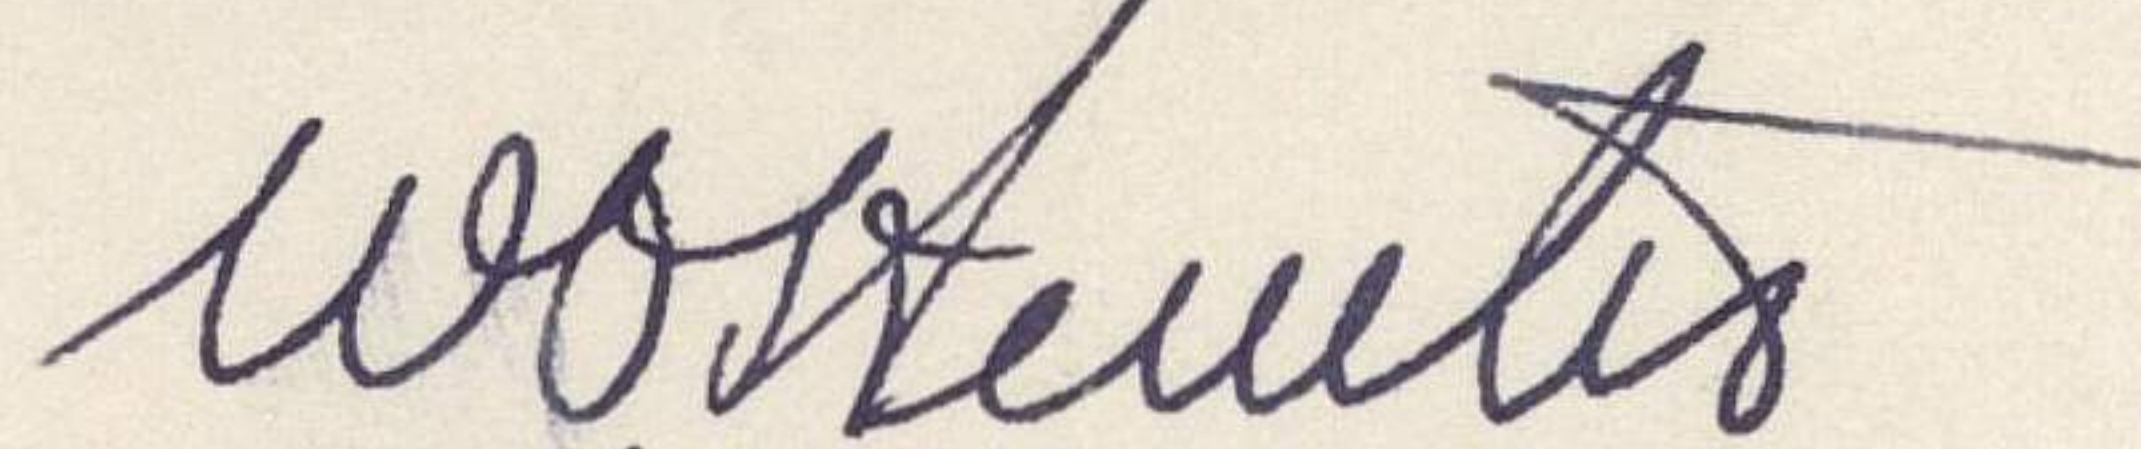

Please find enclosed a statement of the expenses of our trip to Kansas City to participate in the N.C.A.A. basketball play-off.

I should like to take this opportunity to congratulate you on the fine success of the Tournament and, while we are naturally sorry that we could not have been a little more successful, at the same time we congratulate you on your win over us.

May I ask whether there will be any pro rata distribution of additional receipts to the institutions which participated in the play-off. If so, if you know approximately the percentage or in round figures the amount, I would appreciate the information.

Kindest personal regards.

I would appreciate it very much, if you would correct our statement to include this amount.

Dear Phog:-

Thanks very much for your letter of a few days ago. I appreciate the nice things you saw fit to say about our team, and also want to compliment you upon the fine spirit your boys showed when things were going against them. It is this fine clean play when things are breaking bad that makes a fellow proud of his boys.

Enclosed find bill from the New York Central system for railroad tickets. Coach McCracken and I have both approved this bill. As I wrote you before, H. G. Olsen suggested to me that I have this bill approved, as I have, and forward it to you for payment direct to the railroad company.

When the hotel bill is received I will also have it approved by Coach McCracken and forward it to you.

I find that some of the institutions

Dear Dr. Allen:-

Thanks very much for the information concerning the film of our recent basketball game.

It will be impossible for us to play you next year in basketball. My schedule for the 1940-41 season is complete. I wish we could have gotten together a little sooner, because I think it would be a fine thing for basketball and a fine drawing card at both places. I hope that we will be able to get together in some later season.

We enjoyed playing at Kansas City very much. There is no doubt but what it is the finest basketball city in the country. The Municipal Auditorium is one of the most beautiful places that a basketball game could be played on. You are to be congratulated upon the fine way you ran the tournaments off. Everything went along in fine shape and with a lot of color. We could not have been treated nicer while staying in Kansas City.
