Mr. Forrest C. Allen  
Director of Physical Education  
University of Kansas  
Lawrence, Kansas

Dear Phog:-

Thanks very much for your letter of a few days ago. I appreciate the nice things you saw fit to say about our team, and also want to compliment you upon the fine spirit your boys showed when things were going against them. It is this fine clean play when things are breaking bad that makes a fellow proud of his boys.

Enclosed find bill from the New York Central system for railroad tickets. Coach McCracken and I have both approved this bill. As I wrote you before, H. G. Olsen suggested to me that I have this bill approved, as I have, and forward it to you for payment direct to the railroad company.

When the hotel bill is received I will also have it approved by Coach McCracken and forward it to you.

With best wishes from both Mrs. Clev and me to your family and self, I am

Cordially yours,

*Z. G. Clevenger*
