Dear Clev:

We are issuing a check for \$136.73  
to the Hotel Muehlebach, and it is going forward  
in today's mail.

I find that some of the institutions  
are not as modest in asking for their expense  
allowances as you people have been, and for that  
reason it has occasioned a great deal of letter-  
writing to get some of the schools to reduce their  
requests to a reasonable expense account.

With best wishes, I am

Very sincerely yours,

Manager, N.C.A.A. Basketball Tournament.
