Director of Basketball  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:-

Thanks very much for the information concerning the film of our recent basketball game.

It will be impossible for us to play you next year in basketball. My schedule for the 1940-41 season is complete. I wish we could have gotten together a little sooner, because I think it would be a fine thing for basketball and a fine drawing card at both places. I hope that we will be able to get together in some later season.

We enjoyed playing at Kansas City very much. There is no doubt but what it is the finest basketball city in the county. The Municipal Auditorium is one of the most beautiful places that a basketball game could be played on. You are to be congratulated upon the fine way you ran the tournaments off. Everything went along in fine shape and with a lot of color. We could not have been treated nicer while staying in Kansas City.

Sincerely yours,
