Mr. C. E. McBride,

Mr. J. C. Truesdale
Grinnell, Iowa.

Gentlemen:

Our committee is expected to pick a representative from the Fifth District to play with the other districts, Six, Seven and Eight, at San Francisco to determine the winner who will represent the western section for the national title at the play-off in Northwestern University gymnasium on March 27.

There is no formal rule of procedure and it is up to our committee to make some such determination for the play-off. Doubtless the Oklahoma Aggies will have won or have already won in the Missouri Valley championship. Should there be a two-way tie in the Big Six I am not sure just what the committee's feeling should be in deciding how the play-off should be arranged. There has been some discussion that the Oklahoma Aggies have been invited to the New York tournament. I have no definite information that they are entertaining the thought of accepting the New York proposal.

I am merely writing this letter so that you can turn over in your minds the necessary procedure that should be followed soon after the Big Six championship is decided. If you now have a solution or an idea toward a solution we would be very happy to have it.

Very cordially yours,

FCA:AH

Chairman, Fifth District, N.C.A.A.
