

October 3, 1939

Dear *Fog*

I have been appointed editor of the 1939-1940 ILLUSTRATED BASKETBALL ANNUAL. Will you please send me your photograph and a short resume of your team and prospects for the coming season. I should like to use this material and your picture in the magazine which goes to press October 23. Please name several players from your section whom you think outstanding. The book will be distributed nationally and on sale about November 17.

Sincere personal regards,

Clair Bee
