

SECTION 4. *Representation at Meeting.*

Each active and allied member shall be entitled to one vote and may be represented at the annual convention and at special meetings by from one to three accredited delegates.

Each associate member shall be entitled to one delegate without voting power.

Members as well as non-member institutions are authorized to send visiting delegates who shall be without voting power and shall not actively participate in the business proceedings of the Association.

SECTION 5. *Certification and Voting of Delegates.*

Delegates shall be certified to the Secretary as entitled to represent the member in question by the proper executive officers of their institutions or organizations.

In case an active or allied member is represented by more than one delegate each delegate shall be entitled to cast a fractional vote which shall be in proportion to the number of delegates present representing his institution or organization.

Whenever the Association takes a formal ballot, either written or viva voce, on any question, the names of the delegates as they vote will be checked by the Committee on Credentials in order to verify the authority of the voter. Only accredited and not visiting delegates may vote, and not more than three representatives of either an active or an allied member may share in a proportional vote as defined in the preceding paragraph. Voting by proxy is not allowed. The same delegate may represent both an active and an allied member (that is, a college and a conference) on presenting proper credentials.

(In this article the various sections relating to meetings of the Association are assembled in one place. It incorporates Article VI [page 124] and Article VIII [page 126] of the present Constitution.)
