

expenses from their institutions. The Secretary was instructed to communicate that action to the chairmen of the various rules committees.

15. The Secretary was instructed to draft a circular letter to the presidents of member schools asking them as educational heads of their institutions whether their institution has subscribed or does subscribe to the revised constitution of the N. C. A. A., notably Articles II, III, and IV, or if they hold possible reservations applying to those articles.

16. It was voted to appropriate \$200.00 to the Boxing Rules Committee to aid in publication of the Boxing Guide.

17. It was voted to accept the recommendations of the Fencing Rules Committee that an N. C. A. A. Fencing Tournament on an individual basis be held, provided the committee continues research to determine whether sufficient interest exists to justify the tournament and with the understanding that the meet, if held, would be conducted without expense to the Association.

18. Pursuant to authorization by the Convention, John L. Griffith was appointed Secretary-Treasurer of the Association.

RESEARCH ON INTERCOLLEGIATE ATHLETIC PROBLEMS

The University of Minnesota is conducting a study on the effects of exercise on the heart, and has paid the expenses of a research student out of football earnings. The results of such a study would no doubt be of great interest to the athletic authorities of the colleges belonging to the Association, if published in the *News Bulletin*. It is therefore suggested that member institutions report to the Secretary, Major J. L. Griffith, Hotel Sherman, Chicago, Ill., concerning any such studies that have been made recently, or are contemplated. While the Association is interested in all phases of physical education, it is concerned primarily with intercollegiate athletic problems.

N. C. A. A. CHAMPIONSHIP BOXING TOURNAMENT

The National Collegiate Athletic Association Boxing Tournament was held at Sacramento, California, on April 4, 5 and 6, under the auspices of California Agricultural College at Davis, California.

The total gross receipts approximated \$8,000.00, which was somewhat short of our anticipated gate. There were sixty-three entries from eighteen colleges as follows:
