Dr. Allen:

Miss Teeter called to leave this message:

Charles Black's transcript is in. The transcript is not very good, and Charles will have to be admitted on probation. He was advised to withdraw from school in Wisconsin, but was given an honorable withdrawal. Dean Lawson said Charles could be admitted here on probation. Because of a great amount of typing necessary, the Advanced Standing office cannot be ready for Charles' registration by 3:00 this afternoon; but, if Charles will come up at 3:00 he will be given a permit to register this afternoon.
