

were the donors - even though the note enclosed plainly said " fellow faculty P.E.?" I have already written to Ruth and Joe - and today I am visiting Herb, Jim, But, and Doc Ebel. I am grateful to you for bringing this illusory impression to my attention. As I do not have But's or Jim's address - I should greatly appreciate your sending the letters on for me.

I heard again yesterday that the job at Washburn College here in Topeka is still open for some lucky girl. Has anyone in the department made a play for it? It seems too good a chance to
