Dear "Butch":

You enclosed in one of your letters a number of sample badges for my inspection. Whom do you want to order these badges? You see, I am not on your Board of Directors. In looking over your list I see that Harold Browne is the only man in this part of the country, and he is some 250 miles from Kansas City.

If you would like me to order these badges I will be glad to do so.

You have also written me regarding a speaker for the occasion. I see the Convention Committee is George Edwards, Harold Browne and I. I will get in touch with these two gentlemen and see whom they would nominate as an outstanding speaker for the occasion.

I will let you hear from me at an early date, but in the meantime let me know about the badges.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach.
