The next thing I would like to ask of you and I hesitate to do this in view of the amount of time you are now putting on this convention set-up but I would like for you to discuss during one of our sessions the Zone Defense and its many variations. I am having three other coaches talk on different phases of the game and expect to place one of the four speakers on each of our sessions. This will assist in properly balancing our program and I think will be well received by our coaches.

My program is shaping up nicely and I hope to have something instructive as well as entertaining in addition to the regular business matters. Won't you please let me hear from you at your earliest convenience and if I can be of any service to you, feel free to call upon me.

Very sincerely yours,

B. T. Grover
