Mr. B. T. Grover, President,
National Association of Basketball Coaches,
Ohio University,
Athens, Ohio.

Dear President Grover:

I didn't know that you had appointed Browne on the committee. He is highly acceptable to me. What I was trying to do was to have a Missouri Valley representative on the committee. However, I do not think there is any necessity of adding another member since the three members have already been appointed and the names printed.

I am not mentioning it to Bill Williams. It was my idea to have the other conference represented. As it is now, the three of us are from the Big Six Conference. Practically all the committee appointments from this district are representatives of the Big Six. CaljtJahnnsruesdale, of Grimmell, on the Rules Committee, and E. S. Hickey, of Creighton, on the Coaching Ethics Committee, are from the Missouri Valley Conference.

I notice that you have Frank Root on the Membership Committee. Apparently that must have been an oversight because you put Browne on the Convention Committee in place of Root, but you left Root on the Membership Committee.

Floyd Rose has asked me to be in Cleveland on the 27th and 28th of November for his rules interpretation meeting. Doubtless you will not be there, but if you should happen to be in Cleveland it would be a pleasure to see you and have a talk with you regarding the Convention and Tournament Committee and its functions. We have made arrangements for the coaches and team members to stay at the new Hotel Continental in the heart of down-town Kansas City, only three blocks from the Municipal Auditorium.
