- (b) 1942 Season: Stitched Ball.....Molded Ball.....
- (c) 1943 Season: Stitched Ball.....Molded Ball.....

(5) Have any of your opponent's complained because you (in games on your home court) used the

- (a) Stitched ball—YES.....NO.....
- (b) Molded ball—YES.....NO.....

(6) Check your preference to the wording of the rule relative to the official or standard basketball:

-(a) The stitched or sewn ball is the standard ball but the molded ball is also legal.
-(b) The molded ball is the standard ball but the stitched ball is also legal.
-(c) The stitched or sewn ball is the only legal basketball for the college game.
-(d) The molded basketball is the only legal basketball for the college game.

BASKET RING AND ATTACHMENT PLATE COLOR:

Experimentation has been conducted this year in several sections with various colorings of the basket rim or ring and the attachment plates or braces. The basket rim or ring is now black by the present rule as are the attachment plates and braces; tests have been made with the ring painted orange or red and with the attachment plates painted white to blend in with the backboard.

(1) Do you prefer that the attachment plate and braces be painted:

-(a) Black (present rule).
-(b) White (proposed rule).

(2) Do you prefer that the basket ring (rim) be painted:

-(a) Orange
-(b) Red
-(c) Black

TEMPERATURE CONTROL:
