Dear Dr. Allen:

Your letter of Oct 5. received.
I have followed your advice.
In regard to your test will
it cover the whole summer
work? I would like to
know what to study.

I wonder if you could
send the test when I am
ready to our County Supt.
Mrs Ann. Blaylock as I can
make better arrangements
to take it ~~there~~ with her
or the office.

Thanking you

Sincerely yours
Mediel Beecher.
