Basketball Coach

Dear Mr. Allen:

I received your letter of March 24 regarding the Rules Committee and Research on Basketball during the past year. I will not be able to get to the Coach's meeting at Atlanta because of work here, and I am not certain as yet whether I will be able to get away to New York for the Rules' Meeting. However, I am sending you the results of my study of the last couple of years and the development of a norm for basketball shooting. I have been gathering the statistics on College basketball of attempted shots and baskets made. I will send this to you to the Hotel McAlpin at New York.

Yours very truly,

H. D. Edgren
