Dear Mr. Allen:

Under separate cover I am sending a copy of the January-February issue of the Illinois High School Athlete. The reason I am sending this is that I thought you might be interested in the comments on basketball rules on pages 69 and 70. These are not necessarily unusually good articles but they at least represent some thoughts in which I believe any rules committee member will be interested. No acknowledgment is necessary and if you do not find time to go over them no harm will have been done anyway.

Yours truly,

H. V. Porter
