Mr. A. A. Schabinger,
Secretary-Treasurer,
Creighton University,
Omaha, Nebraska.

Dear Schabie:

I am sending you a copy of Fritz Crisler's letter regarding reduced fares. If you can furnish him with a list of the coaches who are members of this association, I believe many of them will avail themselves of the opportunity to get reduced rates. You know, Schabie, that half of the memberships in these associations are the bunk. If you will let each one of our coaches know about this, they will be able to get this rate without any difficulty.

Please take the matter up with Fritz Crisler at your early convenience.

Very cordially yours,

President
