

Lawrence, Kansas,  
March 31, 1928.

Mr. A. A. Schabinger,  
Secretary-Treasurer,  
Creighton University,  
Omaha, Nebraska.

Dear Schabie:

I am enclosing \$2.00 for the membership fee for Fred Walker's membership in the National Association of Basketball Coaches. I should have sent it much sooner. Delay and neglect are two very dangerous antagonists.

I am going to Galesburg, Illinois, to deliver the basketball address at their banquet, so I will go on to the Hotels Windermere on Tuesday morning. I will have plenty of time to see Fritz Crisler and any of the other people at the University of Chicago and be ready to meet you on Wednesday morning with the rest of the "celebrities" and celebrities.

I am glad to know that Andreas of Syracuse will be at the meeting. I think his presence will help materially. I am wiring Watcher and his Athletic Director today asking that he be permitted to be there.

I am delighted to know that we have a membership of ninety-three at present. We easily should have a thousand and I am sure we will by next year.

Anticipating the pleasure of being with you,  
I am

Very cordially yours,

President
