Mr. Percy D. Godfrey  
Assitant Basketball Coach  
University of Minnesota  
Minneapolis, Minn.

Dear Mr. Godfrey:

I have just returned from my coaching schools in Kearney, Nebraska and Logan, Utah. I have your letter of the 25th ult. awaiting me.

I have sent your letter to Mr. A. A. Schabinger, Athletic Director, Creighton University, Omaha, who is secretary-treasurer of the National Basketball Coaches Association. He will write you regarding membership.

Nothing has been done regarding the Pinkerton case. It has not been submitted to the eligibility committee as yet. I just wanted to get the information, and I believe that I have it, namely, that he has played more than his allotted time.

I do not know of any first class opening as a basketball coaching job at the present time, but I certainly will be very happy to let you know should one present itself.

With every good wish, I am

Very cordially yours,

FCA: EWH
