

August 28, 1927.

Mr. A. A. Schabinger,
Creighton University,
Omaha, Nebraska.

My dear "Schabbie":

Thank you very much for your good letter of the 25th inst. Somehow, I misplaced the letter and could not locate it.

I am sure that practically all of these men will accept, but I should be glad to have a statement from you informing me of their acceptance at your convenience. I do not think that it will operate against us to have Price and Tebell on the Board, as well as a representative of the 9th district and third district respectively.

I quite agree with you that F. Krisler would not be eligible. It just seemed to me that he was basket ball coach because he handled the basket ball tournament for Stagg. However, I think you are right and I should like to name Everett Dean, Coach of the University of Indiana, Bloomington. If you will write Dean and see if he will accept, I think it will be a good thing. I believe that he should be named Chairman because he is close to Chicago and he has been in his own Conference for several years.

I believe with the Big Ten entertainment committee, it ought to go big. I will drop each one of them a line with just a word of greeting and a wish that we can make the Coaches Association the best ever.

Everywhere, I get the reaction that things are going to be dandy in the Coaches Association.

With every good wish, I am

Very cordially yours,

Director.
