The meeting was called to order at 9 o'clock by Dr. F. C. Allen of Kansas University, who was President of the temporary organzation started at Des Moines. His talk covered the various reasons for organizing this association and was well accepted.

The minutes of the Des Moines meeting were read by A. A. Schabinger of Creighton University, Secretary of the temporary organization. On a motion made by Mr. Andreas of Syracuse University, seconded by Mr. Matthews of St. Louis University, the minutes were approved as read.

This was followed by a reading of the proposed constitution for the permanent organization, read by the temporary Secretary-Treasurer. A discussion of the various articles was held, with practically every coach taking part. After carefully considering each article, a motion was made by Mr. Ruby of Illinois University, seconded by Mr. Lambert of Purdue University, to accept the constitution as read. Carried unanimously.

Following the adoption of the constitution, it was necessary that permanent officers be elected for the coming year. The President appointed Mr. Murray of Marquette University Chairman and Mr. Ruby of Illinois University and Mr. Owen of Oklahoma University as the nominating committee. A recess was held until they brought back their report. Mr. Murray as Chairman returned with the following report: That in the opinion of the Nominating Committee Dr. F. C. A motion by Mr. Kline of Hastings read: That the above named officers be elected by acclamation as submitted. Carried unanimously.

It was agreed that the five officers select four other basketball coaches to become members of the Board of Trustees.

Dear "Phog":

My letter of August 19, which you will receive upon your return will probably answer yours of August 20.

The following are the officers of the organization who have accepted their appointment: Dr. F. C. Allen, University of Kansas, President; Mr. J. Craig Ruby, University of Illinois, First Vice-President; Mr. L. P. Andreas, Syracuse University, Second Vice-President; Mr. C. M. Price, University of California, Third Vice-President; Mr. A. A. Schabinger, Creighton University, Secretary-Treasurer.

For the Board of Trustees, the men who have definitely accepted are: Mr. Howard B. Ortner, Cornell University; Mr. Madison Bell, Texas Christian University; Mr. C. S. Edmundson, University of Washington. I hope to hear from Tebell at an early date.

In accordance with your former letter, I have written to the coaches as per your appointments. Will let you know as soon as I hear from them. I would be glad to have you write to a number of them, especially those who are to act as chairmen. If you will look at your letter of June 20 (written from Logan, Utah), the names of the coaches are listed. There are no changes excepting D. O. McLaughry of Brown instead of Butch Cowell of New Hampshire and in the Eighth District it was definitely decided to ask E. L. Romney.

Regarding stationery, I would like to get the names of the coaches on the various committees printed on this stationery. As soon as I hear from these men I want to have the constitution printed and get copies mailed out to every coach we know.

If you have any other suggestions, please write me.

Cordially yours,

A A Schabinger

Director of Athletics

Mr. A. A. Schabinger,
Director of Athletics,
Creighton University,
Omaha, Nebraska.

My dear Schabie:

I have received the letterheads and envelopes. I have O.K.ed the bill and you should receive a voucher check in the very near future. I am sure that the stationery takes care of the situation in very good shape. I think it is a fine thing to put Dr. Naismith's name on the list of officers as honorary president.

I am writing Mr. Howard Ortner, Mr. McLaughry and Leo Novak as well as Coach McNichol of Pennsylvania. I was interested in your letter regarding the conversation you had with these men back east. I am sorry that it was not possible for me to be back east during Christmas vacation. I am sure that you followed up your conversation with letters so that you will cultivate each and everyone of these men along the line on which you wrote and on which you and I have talked.

I am wondering if you sent each one of these men enough stationery so that they will feel that they should actively engage more men in the good work. I believe now that the main thing is to get members so that it will give you some money to work with. I am writing each one of the Membership Committee today urging that they enlist as many members as possible in the cause.

I have noticed a good deal of publicity regarding the discontinuing of the National Tournament at Chicago, I am hoping that this goes through for this year at least so that we may have our meeting and this will serve as a magnet to draw the coaches there.

With every good wish, I am

Very cordially yours,

Dear "Phog":

Upon receipt of your letter I mailed you special delivery five hundred letterheads and five hundred envelopes of the National Association of Basketball Coaches. I do not exactly like the setting of the stationery but hope it will meet with your approval for the first time.

No official action was ever taken about making Dr. Naismith "Honorary President", but I thought we should do so, and I hope that this also will meet with your approval.

I hope at your earliest convenience you will write to our eastern representatives-- Ortner of Cornell, McLaughry at Brown, Novak of the Army and Tebell of North Carolina State and E. J. McNichol of University of Pennsylvania. I think it will be a wise move to get these men supporting this meeting at Chicago during the Interscholastic Basketball Tournament. While in the East, I had a long talk with McLaughry of Brown. He was very enthusiastic about our Association. However, he tells me that Coach Ed Wachter of Harvard thinks they should have an eastern association of basketball coaches which he (McLaughry) is discouraging in view of the National Association. If you can get McLaughry or Ortner to suggest to Wachter that he join this association it would kill that idea entirely, and this would truly be national in scope. Since Mathews has resigned at St. Louis, it might be a good plan to suggest to Wachter that he act in his capacity for this year.

I have talked this association to all of the basketball coaches I saw in the East and those I come in contact with through the middle-west and west. All are enthusiastic and express the intention of attending the meeting at Chicago.

I am in a position now and ready to give this more time and will write any letter or do anything else you wish me to do immediately.

I am enclosing a receipt to you for $2.00. You will remember you gave me $1.00 at Des Moines. Therefore, I am billing you for the other dollar due for 1927-28 dues. I am also enclosing a statement to your Athletic Association for the amount of stationery sent you as per your suggestion.

Write me just what you want me to do now, and I will get everything taken care of right away.

With kindest regards, I am

Dear "Phog":

I hope the enclosed sheet will meet with your approval.

I am enclosing an extra sheet and marking on it the coaches who have signified their willingness to act on this committee. I did not wire Dr. Meanwell nor did I write him. I know Ruby saw him, and if he was enthusiastic about this organization I feel that he would have sent his name in.

I expect to meet you in Chicago Thursday morning, June 9, at the Auditorium Hotel at which time we'll work on the constitution and arrange for a meeting place for the next day.

If you have any suggestions, let me have them.

Dear "Phog":

Enclosed is a copy of the minutes of our meeting and a copy of the constitution we adopted. I have written General Pierce and expect to hear from him within two or three weeks.

If you approve these minutes and the constiution, and name your various committees, I want to start to write to the Membership Committee to complete their membership. In the meantime I am preparing application blanks which will be sent to the Chairman of the Membership Committee, and I will ask him to send them to basketball coaches throughout all the members' districts. I do not want to let any grass grow under our feet in getting this membership paid up. You know the old saying, "Your heart is where your money is".

After seeing you, I again saw General Pierce, and he assured me that this approval would be granted.

For your guidance on the Membership Committee, I am reminding you that F. J. Murray of Marquette is to be Chairman of this committee. We had no one listed for the 1st District, but I have a very fine letter from D. O. McLaughry of Brown University saying he will be glad to do anything he can to help this organization and therefore suggest you place him as Chairman of the 1st District; 2nd District, Leo Novak, U. S. Military Academy, West Point; 3rd District, Gus Tebell, No. Carolina Aggies, Raleigh; 4th District, John Mauer, Kentucky University; 5th District, we had F. J. Murray, Marquette; 6th District, ~~William~~ Sam ~~Chandler~~ Barry, Iowa ~~State~~, (allow me to suggest that you might consider Barry of Iowa for this in as much as ~~Chandler is a member of the Rules Committee~~); 7th District, Hugh McDermott, Oklahoma; 8th District, Ike Armstrong, Utah; 9th District, C. M. Price, California. You will recall that this is No. 1 of your standing committees. E. L. Romney?

No. 2 - Program Committee, for which no one was appointed. Nels Norgren, Doc White & Martiz

this committee. They must essentially be live wires and believe in the organization. P. Hinkle, G. Edwards, K. Schlademan

No. 4 - Coaching Ethics Committee. No one suggested. F. Kristler Arthur Lonborg E. McMillan Minn

No. 5 - Social and Entertainment Committee. No one suggested.

No. 6 - Basketball Rules Committee. Ward Lambert, Chairman. I suggest that you consider Bill Chandler for this committee. Wm Chandler G. Keegan

No. 7 - Officials. No one suggested. E. J. Mather C. Black H. W. Beresford

As soon as you can make up your mind who you want on these various committees, let me know and I will complete the minutes, constitution, etc., and have a printed copy sent to all the prospective members.

I am sure Eckersall gave a story to the Associated Press because it was in both of our papers at Omaha. Have received several little notes from various places regarding this organization, so I am sure it went out over the wires. Our President here noticed it and sent me his congratulations.

With a little work we can make this go over big, "Phog", so let's hit the ball.

My dear Schabie::

I am answering your letter of the 13th inst. I came through Omaha the morning of the 15th and called you at your home but the maid there stated that you and the Mrs. had gone to Kansas, s LeRoy and other interesting places and that you would not return until the first part of this week.

I have read your letter and the minutes over very carefully. I am listing below my suggestions for the appointments on the various membership committees::

No.I MEMBERSHIP COMMITTEE::
F. J. Murray of Marquette University, Chairman
For the first district I am wondering whether Mc Laughry of Brown University would be better than Butch Cowell of New Hampshire State. I should like your counsel on this appointment..
Second District, Leo Novak
Third District, Gus Tebell
Fourth District, John Mauer
Fifth District, F. J. Murray
Sixth District, Sam Barry
Seventh District, Hugh McDermott
Eighth District, either Ike Armstrong or E. L. Romney. I am still debating this point. Both are football coaches and I want to weigh the value of this appointment before I make it.. Ike will be here this week and I shall have a chance to talk with him and see how much he is interested. Romney is a most likeable fellow and will make many friends here for the game. I should like your slant on these two fellows
Ninth District, C. M. Price, California..

I will be in Lawrence the first part of next week and receive your reply. Please address me there..

No. 2 PROGRAM COMMITTEE::
I shall suggest the following appointments::

Nels Norgren, Don White,, E. J. Martie. Norgren and White are close at hand but I am wondering if it is the best thing to appoint Martie away out in Reno, Nev. However, we shall have our quorum close to Chicago ~~and the other member is away.~~ and the other member could well be farther away. It might serve to pull the out-lying members in..

No. 3 PRESS COMMITTEE::
R. L. Matthews, E. McNichol, and R.H. Hager.

No. 4 COACHING ETHICS::
P. Hinkle, G. Edwards, K. Schlademan.

No. 5 SOCIAL AND ENTERTAINMENT COMMITTEE::
F. Krisler, Arthur Lonberg, and D. McMillan.

No. 6 BASKETBALL RULES COMMITTEE::
Ward Lambert, Wm Chandler, and G. Koegan.

No. 7 OFFICIALS COMMITTEE::
E. J. Mather, Charles Black, H. W. Beresford.

Now S chabie, please look over this list.. Study your geography and the outstanding coaches and then give me your suggestions.

I do not want you to write these fellows until you and I have definately decided on the best men for the jobs. However, I shall thank you if you will write the four members of THE BOARD OF TRUSTEES,. telling them of their election to this office and ascertain from them if they will accept, for we want to know.. We do not want a printed copy of this dope until we have the acceptance of all the officers on the board of trustees as well as on all of the other committees..

It would not look so well if some of the members on the board of trustees failed to answer the letter and then later refused to serve. So we had better get the acceptance from all of them.

I am glad that

I am glad that General Pierce assured you that the approval of the N. £CA. A. would be forth-coming.

Yes, I noticed that the A. P. carried a story but I believe that we would have had a more complete story. I am sorry that some of the things we wanted were left out. I am not sure that Eckersdll gave the story to the A.P. Your know the practice of theA. P. is to nab it over and shoot it out as soon as it goes on the press. So possibly Eckersoll wrote his story and the A. P. relayed it to the outside world.

I shall be glad if you will draw up a form letter which could be given to each of the various appointees of the various committees. Please feel frank to criticize any or all appointees for the good of the service.

There is one little item that I caught in Article 3 of the Constitution that should be slightly revised. In sentence 1, I believe it would make it read better to say--" To further dignify ~~et~~ etc.," I believe that this makes it more acceptable. Of course, thi cannot be changed in substance with out a vote but there could be no objection to this as it is not a fundamental change..

With this addition I hereby approve the Constitution as it stands and also the committees.

Aside from naming our committees and getting them ready to function I believe that we would gain more by waiting until early fall for the membership drive. I do not know how many copies that you should have printed. One in the hands of every college coach would, I feel sure, sell the membership in the large majority of cases.

The coaches at K earney and here are much interested in the pdssibil ities of becoming members. I find much interest everywhere.

With every good wish, I am,

P. S. Schabie, I noticed that you had made it read, Kansas Universit Please make it read, The University of Kansas..
Excuse this darn typewriter. It was the first Remington ever built and prides itself on that fact by being obstinate.

My dear Schaby:

I just returned from Salt Lake City and am answering your fine letter of the 23d inst. I shall be very happy to appoint McLaughry of Brown University, in the first district. The other appointments for the vaious districts have been agreed upon, with the exception of the eighth district. For the eighth district, I shall appoint E. L. Romney, Utah Agricultural College, Logan, Utah.

I find that Armstrong is not coaching basketball there the next year. They have a new man there named Peterson, an old Utah man. Romney is coaching basketball at Utah Agricultural College at Logan, so of course that makes him eligible, and I find that he has a very large and free acquaintance with the coaches on the coast. So I believe that will be a happy selection.

We will leave E. J. Marti of the University of Nevada, Reno, on the Program committee. Yes, Karl Schlademan is coaching varsity basketball at Washington State College, Pullman Washington.

I am glad to know that you have written the four members of the Board of Trustees. I shall be happy to learn what their response is. I hope you get acceptances from each of these men.

I have received letters from some coaches now desiring membership. Godfrey, at Minnesota, wrote me last week. I will send you his letter as soon as I get through my mass of correspondence, together with my reply to him.

I believe you misunderstood what I meant by

a form letter. What I had in mind was a personal letter with a general form, which would advise them of their appointment by the trustees, concurred in by the president and the secretary-treasurer. Will you kindly do this?

You are a past master on the appeals, so I'll leave it to the good secretary-treasurer to get this across. You write to all of them, Schaby, as secretary, saying that it is our desire that they accept, and ask them to give you their answer in a very short while, setting forth the reasons why you desire a prompt reply.

I appreciate your prompt response to communications and assure you that I will be equally as prompt in promoting the best interests of The Basketball Coaches Association of the United States.

With every good wish, I am

Very cordially yours,

FCA/EWH Director

Dear "Phog":

Replying to your letter of June 20, sorry we were not in Omaha so that we could have had a visit and have gone over these various committees.

Regarding the Membership Committee for the 1st District, I suggest you appoint McLaughry of Brown University rather than Cowell of New Hampshire. I had a long talk with Cowell at Chicago, and he said he would do all he could to boost this organization but that he was serving on a number of such committees and would appreciate it if he was not put on any active committee. I have a letter here from McLaughry in which he is very enthusiastic about the organization, and therefore I suggest his appointment. Regarding the 8th District, I leave it entirely to you between Armstrong and Romney. I do not know Romney; I know his brother very well. I know Armstrong, and I am sure he would be an excellent man. However, you decide on that. Either one is all right with me.

Regarding the Program Committee, I suggest that you leave E. J. Marti of Reno on that committee. It will encourage him to be there which will give us a nice representation from that district. Norgren and White will certainly attend the meetings. Press Committee, O.K. Coaching Ethics, O.K.--By the way, is K. Schlademan coaching basketball at Washington State? I have no suggestions to make on any of the others. I think you have certainly done a fine piece of work in your appointments.

I have written to the four members of the Board of Trustees--just now completed that work at your suggestion. I will let you know as soon as I hear from them.

I have a letter from General Pierce asking me for a copy of the constitution. He also suggested that it would be a fine thing to get our various committees organized and get the acceptance of the men who are to work on those committees. The approval of the N. C. A. A.

would then be a matter of form. With this in mind I am going to suggest that we get definite word from the coaches who are to be district representatives on the Membership Committee and to get the men appointed on the other committees to accept their appointments. This will allow me to get our constitution printed and our letter-heading out, which I am sure will help in the membership drive.

I have drawn up a blank for the application for membership. When this is sent to the various coaches, my letter to them should have the names of the various officers, trustees and district representatives on it.

Regarding a form letter to the various appointees of the different committees, I suggest, "Phog", that we simply write these men a short personal note telling them the plan and asking them to accept. I believe a personal note from you, and if you wish I will write to some of them, will get them to accept quicker than a form letter. What do you think?

Regarding the constitution, I am making that slight revision you mention in Article III, Sentence 1.

Regarding the membership drive, I am not worried about that if we get the coaches we have named to act on these committees, and I really believe that is up to you and me. Regarding the coaches to whom I could write, and I am sure get them to accept their appointments, are: Murray, Cowell, Sam Barry of Iowa, McDermott, Armstrong and Price; Program Committee, I would suggest that you write them; Press Committee, Matthews; Coaching Ethics, Any of the three; Social & Entertainment Committee, Lomberg, McMillan; Basketball Rules Committee, Any of the three, Officials Committee, Black and Beresford. Let me know if you want me to write to any of them to ask them to accept the appointment. Don't you think that would be better than a form letter to them?

Glad to know youaare enjoying your coaching schools and hope you have a most pleasant summer. With kindest personal regards, I am

Sincerely yours,

A A Schabinger
