

NOTE TO SPORTS EDITORS AND
COMMENTATORS

The Naismith Memorial Committee is indebted to sports editors in all parts of the country who have so kindly offered their support to the Golden Jubilee Campaign. Sports editors and sports commentators can do a lot for the game by impressing on the various clubs and institutions in their community the fact that the committee is eager to have all basketball teams participate in the tournament by playing Golden Ball Games. Y.M.C.A. teams, boys' clubs, and independent teams are equally eligible to take part in the tournament by playing Golden Ball Games, and they too will be rewarded by having their pictures and a record of the game permanently preserved in the archives of the Hall of Fame.
