Dr. G. B. Affleck,
208 Dunmoreland St.,
Springfield, Mass.

Dear Dr. Affleck:

I ask your pardon for the delay in answering your kind letter of March 9th. My administrative, teaching and coaching duties have been unusually heavy this spring, which accounts for the delay in writing.

I assure you it will be a great pleasure for me to cooperate with you, and prepare a statement concerning the late Dr. Naismith. I shall send it along to you at a very early date.

With best wishes for your continued success,
I am

Very sincerely yours,
