Mayor Roger L. Putnam,  
Chairman, Naismith Memorial Committee,  
Springfield, Mass.

Dear Mayor Putnam:

I ask your pardon for the long delay in replying to your kind letter of June 12th asking me to serve on the honorary committee of basketball coaches in connection with the Naismith Memorial.

Your letter came just at the time our Summer Session opened, and in the rush of things I failed to acknowledge it as soon as I should have liked.

I am greatly honored by your invitation, and shall be very happy to serve on this committee.

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
