Mr. A. M. Kingkade, Kingkade Hotel, Oklahoma City, Okla.

Dear Mr. Kingkade:

Last Saturday afternoon we paid \$2.40 (plus tax) for 24 bottles of milk - bottles and all. They were left in the refrigerator and in the rush to catch the train the boys failed to pick them up.

Will you kindly mail me check for this amount, as I paid your cashier for same.

Thank you for your usual good service.

Cordially yours,

Coach A. J. Lemandowski, University of Nebraska, Lincoln, Nebraska.

Dear Low:

The Athletic Office has send you the box score of our Nebraska-Kansas game which was played here on February 23rd.

I am sending you a copy of the letter from the chap who wrote me that he had found our warm-up jacked in the dressing room. I em also sending you a copy of my reply to him so that you might check it up if you wish. We received the sweater by express collect.

I am rather curious to know the identity of this chap. I am sure he was one of the gang that sat behind us, or knows the fellow who did sit behind us. It is my opinion that somebody pulled it out from underneath our chairs for a prank, and after they got it perhaps thought better of it and sent it back. Anyhow, I would like to know.

With all good wishes, I am

Very sincerely yours,

Dear Frank:

Confirming my wire of this morning, I will take care of all the details mentioned in your letter.

Our game starts promptly at 7:30 and usually is over by a quarter of nine. We have a demonstration between halves, but this will not run over to delay the game. So I am sure that you can get away in time to make your train. We will call the station between halves to check up on the train schedule and inform you whether or not it will be late.

We are calling the Hunsinger Taxi Company asking them to have cabs to meet you and to take you to the train after the game, and we are also checking with the cafeteria for your meal.

We have the darnedest band you ever saw - thirteen greenhorns and ten tinhorns! But I just want to know one thing - can Lieutenant Cochrane click his heels? If he can't it will not be necessary because his team is certainly clicking for him.

We will be glad to see you.

Dr. Forrest C. Allen, Head Coach of Basketball University of Kansas Lawrence, Kansas

Dear Doctor Allen:

I am writing regarding our trip to Lawrence this coming Saturday.

We will leave Manhattan at 12:45 noon (if the train is on time) and arrive at Lawrence at 2:40 p.m. And, we would like to make that 9:34 out of Lawrence on our return trip. If the game starts at 7:30 we could make it. Or do you start your games at 7:45 or 8:00. If we don't make it there is another at 12:30 midnight. Then again, of a Saturday nite, it is highly probable that the first one will be plenty late out of Kansas City - in which case we can make it easily.

We will need transportation, and I thought you might ask Earl to make arrangements for three cabs for us from the station to the campus and return. I believe we will come right out to the University and lounge around in the Union building instead of putting the boys to bed at the Hotel. That would be taking advantage, as I am sure you won't have your boys in bed Saturday afternoon - or will you? ha. We also thought it might be possible for us to get eggs and toast, tea or coffee, at the Cafeteria. Perhaps Earl would be kind enough! to check into this for us also. He's a pretty nice fellow, as I remember.

Congratulations, Doctor Allen, on another fine season. I do not wish you any bad luck, but for some reason or other I'm hoping that you get a chance to break into that other column Saturday night.

We'll be seening you Saturday. I am planning on making the trip with Lieutenant Cochrane. Never mind the band.

Cordially yours,

Frank L. Myers

Ass't to the Director

I just want to repeat, Lew, that our boy, Sparky McSpadden, missed his No. 8 sweat jacked when we went back to the dressing room. We looked everywhere for it. Then I went to Mr. John Selleck and asked him to snap on the lights in the Coliseum and we all instituted a search for it. I am absolutely certain that it was not in the building at that time.

Regardless of the honesty of this boy Schrader the jacket couldn't have been found in the dressing room. I am giving you my own definite conviction that some smart-aleak pulled it out from under our chairs, and then after he got it, it was too hot. He may have turned it over to the boy who returned it to us. It was an impossible situation. I don't want to complain, but wanted to explain.

I made this suggestion which I think should go for all Big Six coaches - that hereafter the Big Six coaches of the respective schools locate their letter-men behind the visitors bench and not permit any spectators there other than lettermen. In that way the letter-men, knowing how to treat the visitors, will give the visitors the just treatment that they should have.

Sincerely yours,

Dr. F. C. Allen
Basketball Coach

Dear Phog:

I checked on the boy who had your sweater and find that he did find the sweater and that he returned it to you. This is the only bit of information I have been able to gather. I spoke to his mother but no information from that source.

Congratulations on the fine season you had.

With best wishes, I am

Sincerely yours,

A. J. Lewandowski Basketball Coach Big Six Conference Smakethell Coaches

Towa State College this year made a move that was deeply appreciated by the University of Kansas, and, I am sure, by other schools. They put their "I" men directly behind the visiting players beach.

This is the first time for a great many years that we were not molested by jibes and taunts by spectators. If this procedure or could be followed by other Big Six schools I am sure one of the Reasons for difficulty would be removed.

I am proposing to the chairman and the secretary of the Big Six Basketball Cosches Association that we make this a matter of regular business at the next meeting -- maybe after the war.

Sincerely yours,

Mr. Frank Myers, Asst. to Athletic Director, Kansas State College, Manhattan, Kansas.

Dear Frank:

I am writing you an apology for the overtime that our demonstration consumed at the game Saturday night, March 6. I am sending you an onionskin copy of the program between halves as outlined by the Chamber of Commerce committee.

I wish you would show this to Chili to assure him that we were under the impression that the program would not take over thirteen minutes. You will recall that my remarks instead of being two minutes were limited to one minute. Therefore, the extra overtime consumed was used up by the longer introductions of the players.

I regret exceedingly these unfortunate incidences and had I known earlier that they would have taken up more of the time than planned I would have spoken to Chili about it. He seemed pretty much upset and I am sorry for it. But I am sending this to you as mute evidence that I had reason to believe they would not run overtime. I will thank you to show this to Chili and assure him that we meant no discourtesy to him nor did we desire to cause him any inconvenience. We were doing everything in our power to show our visitors that we were trying to be good hosts.

With all good wishes, I am

Sincerely yours,

FCA:AH Eno.

Prospects in the Big Six:

The 1942-43 Big Six race looks like a two-team affair between the co-champions of last year - Kansas and Oklahoma. But a word of warning to both--Missouri will not be the cellar team it was a year ago. The Tigers are nominated as the dark horse team because of the presence of most of the brilliant freshman team of last year. However, the wealth of tested material given to both the favorites means trouble for all other teams. Iowa State, Kansas State, and Nebraska will fight for second division honors. All Schools but the Cyclones have long lists of veterans of other years, Iowa State has three men back from last year's squad, none of whom played regular most of the year.
