Mr. Oren Bingham,
University Photographer,
University of Kansas.

Dear Oren:

I want to thank you and Mrs. Bingham for the very important part you had in the tribute to Dr. Naismith at the basketball game last night. I thought the effect was beautiful and very impressive.

I hope to make arrangements so that you and Mrs. Bingham may attend all of our home basketball games, and will take it up with Mr. Falkenstien in the near future.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
