Dr. Forrest C. Allen,
Head Coach of Basketball
University of Kansas
Lawrence, Kansas

Dear Doctor Allen:

I am writing regarding our trip to Lawrence this coming Saturday.

We will leave Manhattan at 12:45 noon (if the train is on time) and arrive at Lawrence at 2:40 p.m. And, we would like to make that 9:34 out of Lawrence on our return trip. If the game starts at 7:30 we could make it. Or do you start your games at 7:45 or 8:00. If we don't make it there is another at 12:30 midnight. Then again, of a Saturday nite, it is highly probable that the first one will be plenty late out of Kansas City - in which case we can make it easily.

We will need transportation, and I thought you might ask Earl to make arrangements for three cabs for us from the station to the campus and return. I believe we will come right out to the University and lounge around in the Union building instead of putting the boys to bed at the Hotel. That would be taking advantage, as I am sure you won't have your boys in bed Saturday afternoon - or will you? ha. We also thought it might be possible for us to get eggs and toast, tea or coffee, at the Cafeteria. Perhaps Earl would be kind enough to check into this for us also. He's a pretty nice fellow, as I remember.

Congratulations, Doctor Allen, on another fine season. I do not wish you any bad luck, but for some reason or other I'm hoping that you get a chance to break into that other column Saturday night.

We'll be seeing you Saturday. I am planning on making the trip with Lieutenant Cochrane. Never mind the band.

Cordially yours,

Frank L. Myers
