My dear Dr. Allen:

Just a note to thank you for sending me the latest copy
of your publication.

You're doing a great job on this and I enjoy reading it
almost as much as if I were an alumnus.

These are busy days with us as I know they are with you.
Hub is doing a fine job in his new position as Registrar.
The only trouble is that he has no time for play.

Looking forward to the next mailing, I am

Sincerely ,

W. B. Needles,
