Hotel Piccadilly

227 WEST 45TH STREET
AT BROADWAY

NEW YORK

1-23-45

Dear Dr. Allen;

I was certainly
sorry to see the Okla. score. I'll sure
be pulling for you and the boys
next Sat. nite.

I saw Col. Clark
yesterday and gave him your regards.
He just returned from over-seas
and gave us the dope on our
trip. "Off the record," he said
that they expected the
European affair to be over
by the 1st of May.
