Mr. George Nettels,
Pittsburg Midway Coal & Mining Co.,
Pittsburg, Kansas.

Dear George:

I am sending you a clipping from the sport page of the University Daily Kansan for January 9th, showing that my suppositions were well founded.

I told you Bob came in to see me and said that as soon as he got his grades up he would report for varsity ball. But he could still play for the Betas even though his grades were low. I think you get what I mean. Bob inferred that he was not playing with the Betas and that he appreciated what I had done for him.

This is a small case in point, but it does illustrate the fact that loyalties sometimes are lightly held.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
