Mrs. Dean Nesmith,
Yates Center, Kansas.

Dear Norman:

Thanks for the letter, and I am glad to know that Dean is planning to be home July 1st. So far as I am concerned, if he desires to stay three months more and has the o.k. from you, it will be o.k. with me.

We will be mighty glad to see Dean when he does arrive. Things are not the same without him in his habitat - the treating room and the gymnasium. I know he is having a grand experience and it will be delightful to have him back and have him tell us about the ragamuffins of Italy. What a heritage we possess, and how often and how little we appreciate all the blessings that we have!

I am glad that you have written Mr. Quigley because I believe Mr. Quigley is going to take over Dean's full time when he returns. Dean did a swell job for us in helping out during the emergency with the Navy rush.

With every good wish to you and your good folks, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
