Dear George:

Bob Schwanzle had a failure in physical training on account of his utter failure to attend classes. Schaake stated that he did not show up at all. He wrote to the Registrar's Office from Great Lakes wanting the failure removed from his Navy record. I would help him if I could, but he did little to help himself. I just wanted you to be informed as to the program, of Bob's own failure to do well by himself. He just talked by everybody, but his record finally caught up with him. I think Bob is a good boy, but from what the hospital authorities tell me he is a very good talker, especially when his interests are involved.

I haven't heard any more about Mimi but we are anxiously awaiting the best reports. With all good wishes to you and yours, I am

Sincerely,
