Vice President
Pittsburg Midway Coal Mining Co.

Dear George:

I was delighted to receive your letter and to know that Mimi is making favorable progress. I certainly will make it a point to stop over and see Mimi at the first opportunity that I am in Kansas City. I haven't written another Jayhawk Rebound, but when I do I'll see that she gets the next one because it will provide some reading matter for her while she is shut in.

You know with what keen interest we always follow the welfare of you and your family. I just received a letter from John Bunn and I am copying it for you. I believe that it may prove as a mild surprise to you as it did to me. With all good wishes to you and yours, I am

Sincerely,
