Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington, D.C.

Dear Sir:

I am writing to inform you, Sir, of a matter of some interest to you at the University of Kansas and also covering matters in the Douglas County, Kansas, area. As you know, I am Secretary of the Board, and am writing to you in this regard. The Board, the one I am writing to, has been set up to call for funds and to provide.

I have been very busy since all the time and attention that I have had during the summer. The Board has been very active in entering into the program. The Board has been very active in the A.S.U. and in the University of Kansas. The Board has been very active in the University of Kansas. The Board has been very active in the University of Kansas. The Board has been very active in the University of Kansas.

I have great confidence in this program and you will find a strong conviction and you will find a strong conviction. The Board has been very active in the University of Kansas. The Board has been very active in the University of Kansas. The Board has been very active in the University of Kansas. The Board has been very active in the University of Kansas.

I have been very busy since all the time and attention that I have had during the summer. The Board has been very active in entering into the program. The Board has been very active in the A.S.U. and in the University of Kansas. The Board has been very active in the University of Kansas. The Board has been very active in the University of Kansas.

With all good wishes for your continued success, I am

Sincerely yours,

Director of Special Services
Kansas State Board of Education
