Mr. Loyd Neff,
Johnson County Herald,
Overland Park, Kansas.

Dear Mr. Neff:

I am very glad to have your letter, and you have put your finger right on the trouble. Many boys give up the opportunity to play on the varsity by playing on their fraternity team.

Bill is a real basketball player, and the training he would receive with the varsity squad would do him a lot of good. I would be glad to have him come out, but of course that is a matter he must settle for himself.

I am glad you wrote me, and of course shall not mention it to Bill.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
