The Adjutant General,  
The War Department,  
Washington, D. C.

Dear Sir:

Mr. Herbert B. Bullene, Jr., of Lawrence, Kansas, has asked me to write you concerning his qualifications for your consideration of him as a possible flying cadet in aviation.

May I say that I have known Mr. Herbert B. Bullene for many years. I have watched him grow up here in Lawrence, Kansas. I have seen him go through the high school and have watched his progress during his undergraduate days here at the University of Kansas.

Herbert Bullene comes from a long line of prominent and substantial people in this state. He is extremely courteous, has a fine personality, and in my opinion will devote himself seriously to the task of his inspiration.

I have talked to Herbert Bullene as a boy, and he has always desired to enter aviation. I am glad to recommend him to you, and I trust that he will be successful in rendering a greater service to his country.

Very sincerely yours,

FCA:AH

Director of Physical Education.
