Evanston, Illinois.

Dear Mrs. Naismith:

I wish to acknowledge receipt of your letter of the 3rd instant.

I regret that there is no opening in our Department of Physical Education, but I would suggest that you get in touch with Mr. Henry Werner concerning a position with one of the men's fraternities or cooperative houses. I do not know whether these positions are all filled or not, but since it is so close to the opening of school I rather imagine most of the vacancies are filled. You might also write to Miss Elizabeth Meguiar, Women's Adviser, and ask if she could suggest something.

I am sorry that I am unable to offer any more definite information at the present time.

I trust that things are going well with you. With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mr. Gwinn Henry,
Athletic Director,
University of Kansas,
Lawrence, Kansas.

Dear Gwinn:-

Attached please find a general financial statement regarding the N.C.A.A. Basketball Tournaments last spring, together with check to the amount of \$50.59 which represents your share of the reserve.

As you know, claims were filed against the N.C.A.A. because of an injury received by a certain person at one of the games in Kansas City. It was not thought advisable to proportion the reserve until the costs of this matter were met.

Yours very truly,

John L. Griffith,
Secretary-Treas.
