

Dear "Phog",

I am in my second year of high school and own a movie projector. I have a film edited by you and demonstrated by "Phillips Oilers" the film is "Fundamentals of Basketball". I would appreciate it very much if you would send me an autographed photograph of yourself as I admire you very much.
Thanks & Best Wishes.

P.S. I would have wrote a letter and enclosed a self addressed envelope but I am not sure what size photo you will send.
