Dear Betty and Ray:

I acknowledge receipt of your good letter of the 3rd instant and I am happy that you have given me the information that I desire. I have ordered a "Louis the 16th", silverplated, Reed and Barton carving set. It is not handled by Sol Marks & Son here in Lawrence, but they will order the same and it will be sent directly to your home in Kansas City.

I assure you it is a pleasure to do this and I know that it will make Ray's work much easier when he dissects that big turkey at some Thanksgiving in the future; especially when you have all your large family around you.

Please tell Ray that I turned in his expense account to Mr. Earl Falkenstien and if he has not already received a check for his transportation here, I am sure that he will before very long. It was good of him to help us out and we always enjoy seeing you both.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
