Dear "Phat",

I am happy to have received your letter and I have passed on the information to Mr. Earl Falkenstien, Financial Secretary to the Athletic Association. He will fill out your check and will turn the tickets over to Larry.

I am glad that Dr. Hunt and his family are so well-liked in Salina. Give them my regards.

Best to you, Dr. "Phat", I am expecting to see you Saturday.

Sincerely yours,
