Mr. Ray Nesmith, Manager,
Camp Sheldon,
Columbus, Nebraska.

Dear Mr. Nesmith:

In response to your wire concerning the openings at Camp Sheldon, I am very sorry that we have no one here who will be available.

The Ordnance plant at Eudora is taking all our boys who are desirous of working during the summer, and of course many of them have gone into training for the armed forces.

I am very sorry that we are unable to suggest anyone for your camp.

Very sincerely yours,
