Dr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Doc:

Haven't heard a word of you or from you or by you since school was out and I am wondering if you and the family are altogether and intact. As a matter of fact, I have seen hardly anyone from Lawrence with the exception of Vic Hurt, with whom I witnessed the All Star game in Chicago last week.

I expect to be in Lawrence Sunday, having Ann in tow who will start at the Alma Mater for a glorious career, I hope. I have made her a great speech about the record of the Nettels which, if examined closely, might not augur well for my hopes and aspirations for her, but anyhow she loafed so completely at Stephens that I am a little concerned about what she will do at the University. If she does as good a job loafing there as she did at Columbia, she will no doubt be sent home.

Sometime during the afternoon I shall drop by and renew my acquaintance with the family.

With best regards, I am

Sincerely,

GEN:OM
