Mr. George Nettels,  
Pittsburg Coal & Mining Co.,  
Pittsburg, Kansas.

Dear George:

If you are coming up to the Iowa State game I want to have a visit with you on some important things. I don't want a thing for myself personally, but I want to talk to you about thirty minutes when you and I can be alone.

Let me know, big fellow, because I want to see you.

Very sincerely yours,
