

that to be my best course and
took it. My folks are interested
in K. S. through my brother which
~~bound~~ binds a lot of my decisions.

I don't want you to think that
I am a "quiter" or was just playing
you. I had two decisions to make
one a sure college year (yours) and
two, something when I got out and
nothing but a promise now. I
do not know yet which was the
best. I must look ahead, four
years can be a short time or a
long time in a persons life that
is something we do not know, yet
we are all looking ahead and that
I must do. I appreciated your letter
very much. It put a lump in
