

January 7, 1938.

Mr. George Nettels,  
Midway Coal and Mining Company,  
Pittsburg, Kansas.

Dear George:

I thought you might like to read the whole circumstance in regard to the trip that we made to Chanute to visit with Johnny Bunn. I believe this is not highly colored one way or the other, but is told in the most honest vein possible.

This is confidential, George.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
