

January 7, 1938.

Mr. George Nettels,
Midway Coal and Mining Company,
Pittsburg, Kansas.

Dear George:

I have had your Christmas present since
December 10th, but actually did not have time
to autograph and mail the book to you.

There is a yarn on The Game that Built
the Stadium that I think you will enjoy.

I trust your family is well.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
