Dear Brother Bernard:

Thank you for your good wishes on our games in
Kansas City.

I am keeping your letter on file and will endeavor
to send you some capable men to apply for your coaching
position. The men whom I would recommend would be able to
teach as well as coach. I imagine that you are speaking
about the job opening next September, are you not?

Two hundred fifty dollars a month for a nine-month
job is not a lucrative salary for men who are proficient
in coaching, but I am sure that we will have some boys re-
turning who want to get located and who have had splendid
coaching, as well as fine school records. Won't you write
me a little more fully regarding the teaching that would be
required of him and when you would expect the job to open.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
