Dr. Laurence E. Morehouse,
Cory Hotel,
Denver, Colorado.

Dear Larry:

You will pardon the familiarity, but I know of no better time to start our informalities than now.

Dean Smith has already mailed the notification of your election, he tells me, and today when I called Mr. Raymond Nichols, the executive secretary to Chancellor Malott, and told him of your acceptance he said he had just now received the confirmation from the Board of Regents. So everything is in fine shape.

We are happy that you are going to be with us, and if you will keep me advised of your changing address I will write you from time to time giving you such information as comes to me regarding the unfolding of our next year's work.

I do hope that you are successful in obtaining Dr. Elbel's residence. This is a very nice location and I am sure it will save you quite some trouble in getting located.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
