Dr. Laurence E. Morehouse,
Department of Physical Education,
University of Wichita,
Wichita, Kansas.

Dear Dr. Morehouse:

The opening of our Summer Session this week has kept me swamped with administrative and teaching duties. It has been impossible for me to get away, but I am definitely planning to be in Wichita next week, probably on Wednesday. I will get in touch with you when I arrive.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
